MEMO TO FILE:

RE: Exploration Development and
Assessment Drilling
Shootaring Canyon Project
ACT/017/017
ACT/017/001

On this day, Notices of Intent to Explore were approved for the 1982 season. The areas under concern are within the realm of development for the Tony M/Lucky Strike Mine and the Frank M. Mine. Because the notices were requested to be confidential, they may be found in the EXP/017/006 file.
